

**BUILT TO SERVE**

SOFT SERVE, FROZEN BEVERAGE  
AND GRILL EQUIPMENT

## THERE'S A REASON WE WEAR THE CROWN

If you don't already own a Taylor, you've probably heard the name. We're known around the world for crafting the very best in commercial soft serve, frozen beverage and grill equipment.

Our equipment is designed to meet the needs of today's busiest foodservice operations. Each piece is masterfully engineered and supremely efficient. Better yet, we back it all with the most comprehensive service and support the industry has to offer.

# READY FOR BUSINESS

From innovative two-sided grills to the greatest soft serve freezers known to mankind, we have equipment you can count on to help wow your customers and turn more profits.

## Soft Serve Freezers

Meet the gold standard in soft serve. Our freezers are renowned for their superlative recovery and throughput capabilities—so you can share cone after cone.

## Batch Freezers

If you're out to create something special, look no further. With one machine, you can craft indulgent custards, gelatos, sherbets and more.

## Milkshake Freezers

Back-of-house efficiency rules the day and our shake freezers are incredibly well thought out. They make slow, messy hand-dipping something you won't miss one bit.

## Smoothie Equipment

Speed is the name of the game with our smoothie equipment. Fire it up and craft all sorts of delicious beverages for on-the-go customers.

## Slush Freezers

Slushes are always a popular treat. Available with or without carbonation, our freezers make this customizable, high-margin profit center totally turnkey.

## Cocktail Freezers

The new Zamboozy™ craft beer and cocktail freezer is taking the industry by storm—but it's only one of many ways we can help you create unique and buzzworthy adult beverages.

## Commercial Grills

Two-sided cooking is the wave of the future and we're bringing it to high-paced operations everywhere. We'll help you cook faster and serve a more consistent product.

Taylor equipment is trusted around the world  
—over a million times a day.

# SERVING YOU, SERVING THEM

## You've seen the equipment, but what else makes us built to serve?

It's about around-the-clock support centers and a global distributor network. We're able to provide prompt, local service whenever and wherever needed.

Each of our 6,500 service techs receives ongoing factory training so they know your equipment inside and out. Independent analysis shows we resolve downtime events 5 times faster than the competition.

When you choose Taylor, you get a company that genuinely goes above and beyond to help ensure your success. It's the total package.
