

SOFT SERVE FREEZERS

BUILT TO SHARE MORE SMILES

Our soft serve freezers feature exceptional recovery and throughput so you can serve more customers and share more smiles.

EVERYBODY'S FAVORITE

It's impossible to be unhappy when you're getting ice cream. Our industry-best freezers help you share the love draw after draw.

- Rapid recovery for high-volume throughput
- Exceptional repeatability for awesome soft serve every go
- Trusted more times each day than any other brand in the world

SERVING YOU, SERVING THEM

While our soft serve freezers are built to help you share more smiles, we're built to serve. We support our customers with a global distributor network, dedicated help centers and the most highly trained service technicians in the industry.

ALL THE FEATURES TO KEEP YOU GRINNING

The ability to handle your busiest dayparts is only a taste of what makes these freezers so great.

- Single, twin twist and multi-flavor options
- Countertop and freestanding floor models designed to fit your operation
- Gravity or pump mix delivery
- Adjustable overrun
- Versatility for ice cream, frozen custard, sorbet, fro yo and even shakes

CONVENIENCE AND PEACE OF MIND

Some models are available with 28HT—our special 28-day heat treatment feature that virtually eliminates daily maintenance.

- Go almost a month between cleanings without compromising food safety
- Add the Brush Butler service and a Taylor tech performs all monthly cleanings
